## Richland Academy Referral Reward Program

We are proud of our school and the welcoming community within its walls. And we know you are, too.

It means a great deal to us when you refer others to Richland. As a token of our appreciation we offer a gift certificate to families who make a recommendation to another family that results in an enrolment.

And we purchase those gift certificates from businesses owned by members of our Richland community – so the reward benefits both your family and another.

Please let us know if you've made a referral. We want to thank you properly!!
